

PRINCIPAL'S MESSAGE

Dear Parents:

Greetings to you and your child. Welcome to Kindergarten and the Van Wert Early Childhood Center! We are so very excited to be a part of your child's first educational experience! Our goal is to make it positive and memorable for both of you as we work together to set a strong foundation for lifelong learning and growth. We encourage communication between parents, teachers, and administration to ensure an understanding of our Vision, Mission, and the CORE goals of the Van Wert City Schools.

This Parent Handbook was developed to answer many of the commonly asked questions parents may have during the school year and to provide information about the Van Wert City Schools Board of Education policies and procedures. Please take time to read this handbook and become familiar with the information included. You may also want to keep it close for any questions/issues that may arise during the school year.

This handbook replaces all previous handbooks distributed. Also, if you have specific questions about Board of Education Policies and Procedures, you may access them on the Van Wert Cougar website (www.vwcs.net).

Thank you,

Mrs. Lori Bittner

KINDERGARTEN SCHOOL DAY

The VWECC office is open each day that school is in session from 7:30 am to 4:00 pm. Kindergarten students may begin arriving at school no earlier than 7:30 am and will be attended to by staff in the Commons area of the building. All kindergarten children must be in attendance by 8:10 am or they are counted as tardy. Kindergarten children are dismissed at 3:00 (Parent Pickup) and 3:05 (Buses).

ADMISSION REQUIREMENTS

Ohio law requires students to enroll in the school district in which the legal parent/guardian resides unless they are enrolling under a district's open enrollment policy.

All kindergarten children must be 5 on or before August 1 to be able to enroll in kindergarten. Kindergarten is mandatory before entering first grade. When parents enroll their child, they must provide copies of the following:

- An original birth certificate (or similar document)**
- A copy of the student's Social Security Card**
- A copy of current immunizations**
- A copy of any court papers pertaining to custody as per Ohio Revised Code (should this apply)**
- Address of parent and child (proof of residency)**

Students enrolling from another school must have an official transcript from their previous school in order to have grades and academic progress transferred. Office personnel will assist in obtaining the official transcript and other records needed by having the parent or legal guardian sign a *Request for Records* form to be mailed or faxed to the student's previous school.

Under certain circumstances, temporary enrollment may be permitted. In such cases, parents or legal guardians will be notified about documentation required to establish permanent enrollment. Temporary enrollment may not exceed 60 calendar days.

ATTENDANCE

Van Wert City Schools considers every school day to be important to a child's learning process and is committed to working with parents/guardians to prevent absences and tardies from impairing a child's academic success. Arriving on time is important to a child's development of good work habits and is also important to the classroom setting; as children entering the classroom setting tardy often interrupts the education process by taking the attention of the teacher and other students.

It accordance with guidelines set forth by the Ohio Revised Code; the Ohio Department of Education and VWCS Board Policy the ECC-Kindergarten has established the following procedures for attendance:

- 1. Attendance at school is compulsory (required and enforced) once a child is enrolled in Kindergarten.**
- 2. Parents/guardians are responsible for providing the school with their name, telephone number and address;** to ensure that the school has contact information that can be utilized, if the need arises, during the school day. Updated information can be provided to the school by calling during school hours or leaving a detailed message on the available after hour voice message system. School email information can also be provided upon request.
- 3. Parents/guardians are responsible for providing the school with the names and telephone numbers for emergency contacts;** should parent/guardian not be available for contact during the school day.
- 4. Parents/guardians are responsible for contacting the school, at the beginning of the school day, when their child will be tardy or absent; providing the specific reason for the tardy/absence. The Van Wert County Health Department requires parents/guardians to identify specific health related reasons for tardy/absence-cold, flu, earache, hospitalization, etc.** Parents/guardians are to call the school at (419) 238-0384, at the beginning of the school day, to report the tardy/absence and explain reason for tardy/absence. Parents/guardians may also leave a voice message with parent/guardian name; the child's name and the specific reason for the tardy/absence.
- 5. When a parent/guardian fails to report their child absent/tardy by the beginning of the school day, it is the school's responsibility to make 1 attempt to contact the parent/guardian to determine reason for tardy/absence.** The school is responsible for making this contact within 2 hours of the beginning of the school day on the date of the tardy/absence.
- 6. It is the parent/guardian's responsibility to sign a child in and out of school office; should the child report to school after the beginning of the school day or the child leave school prior to the end of the school day.** The child's parent/guardian must sign the child

in or out of the school office and provide a specific reason for child coming to school after the beginning of the school day or leaving school prior to the end of the school day. When a parent signs their child into school after the beginning of the school day, the child will be given a tardy slip to give to their teacher.

- 7. The reason for a child's tardy, early dismissal or absence will determine if the missed time is considered excused or unexcused. If a parent/guardian allows a child to reach the status of "Habitual Truant" and/or "Excessively Absent", the parent will be required to attend an Absence Intervention Meeting. If improvement in attendance is not documented after the Absence Intervention Meeting, a referral will be sent to Van Wert County Prosecutor's Office.** Missed time is calculated in minutes and added up to hours. H.B. 410 defines when a child becomes a "Habitual Truant", as a result of excessive unexcused missed hours, and/or "Excessively Absent", as a result of accumulated combined excused and unexcused missed hours. (See attachment in handbook labeled "House Bill 410 Habitual and Chronic Truancy). H.B. 410 also identifies steps school are responsible for taking should a child reach the status of "Habitually Truant" or "Excessively Absent". (See attachment in Handbook labeled "Definition of Habitual Truant"). The latter handout also provides instruction for how to find VWCS Board Policy for Excusable Reasons for Absence. The school sends out letters notifying parents when a child has reached one of the identified categories.
- 8. Per VWCS Board Policy, personal illness is an excused reason for missed hours; should a parent comply with the following guideline: Parents are allowed to "call in" and report their child absent for a personal illness up to 3 times per trimester without providing the school the school with an accompanying written medical excuse. HOWEVER, after the 3rd parent "call in" in one trimester (without an accompanying medical excuse), the parent MUST provide the school with a written medical excuse for any future illness related absence reported for that child for the remainder of that trimester.** If a parent/guardian fails to provide a written medical excuse for their child after the 3rd parent "call in" for illness in any 1 trimester, the school will record the absence as unexcused.
- 9. Per VWCS Board Policy, parents/guardians may request permission for their child to be absent from school for up to 5 school days, per 1 calendar school year, in order to accompany the parents on a family vacation. In order for these 5 days to be marked as excused absences, the parent MUST seek and obtain permission for their child to be absent, from their child's school principal, PRIOR to the family vacation.** Notifying a child's teacher of an upcoming family vacation or emailing the school that the child is leaving on a family vacation does not meet the guidelines for these 5 days to be considered excused.

10. When absences are unavoidable, parents/guardians are encouraged to consult with their child's teacher in order to identify ways that they can supplement their child's learning process at home.

KINDERGARTEN TRANSPORTATION

Kindergarten children in the Van Wert City School District are picked up and dropped off at “bus stops” around the city. However, you may choose to transport your child to and from school every day. It is your responsibility to get your child to and from these bus stops. There are school district staff at the stops to assist with your child’s safety. The following “bus stops” are:

- **Goedde Building**
- **Old Washington School Site**
- **Trinity United Methodist Church**
- **Trinity Friends Church**
- **Jubilee Park**
- **Olympic Lanes**
- **Church in Ohio City**

You will be asked to fill out a transportation form at the beginning of the school year so that we can better assist you with your child’s transportation needs.

You, as the parent may also provide your own transportation for your child. If you choose to do so, you may drop your child off beginning at 7:30 am. When dropping your child off, please pull up in the first lane only – closest to the building. Always have your child get out of the car on the building side. We do not want any child getting in or out of a car on the parking lot side of your car. This will keep your child much safer as they will not be crossing in front of or behind your vehicle. You will need to be here at 3:00 to pick your child up. You may come into the lobby to get your child or you may drive up to the front door and kindergarten staff will assist you in getting your student inside your vehicle.

When picking up your child, please pull up in one of the two closest lanes to the school. You will be given a sign with your child’s name on it to place in your front car window. This will help us in putting your child in the car safely.

Again, if you have questions about transportation, please do not hesitate to contact the school secretary in the school office, your child’s teacher,

or myself with any questions or concerns you may have. Our goal is safety first for all children enrolled in our kindergarten program.

VWCS has adopted a new transportation policy which is located at the back of this handbook for your reference.

BUS RULES

If your child is riding a bus, the following safety rules need to be applied.

- The bus driver, is at all time, in full charge of the bus and the students who ride it.**
- All children are to listen to the bus driver's directions.**
- Keep hands, feet and objects to yourself.**
- Keep your book bag closed at all times.**
- Stay in line at all times.**
- You may talk in a quiet voice to those in your seat.**
- Use kind words and polite manners when interacting with others.**
- Encourage others to follow the rules.**
- Stay in your seat at all times.**
- Please be quiet at all railroad crossings.**
- Keep the bus aisles free of all objects.**
- Keep all objects and body parts inside the bus at all times.**
- To avoid the possibility of choking, please keep all food and/or drinks in your book bag.**

In extreme cases of misbehavior, a student may be denied transportation by the building principal for a limited time. Parents will be notified when students may be suspended from the bus.

AFTER SCHOOL CARE

There are some parents who just need a few more minutes at the end of the day in order to get here to pick up their child. Thus, for kindergarten students, we do have an "after school care" program where you can leave your child in the care of paraprofessionals until you are able to be here. This service is for working parents who may not get off until 3:30 or so. All children who need some afterschool care must send in a note each morning to state they need to be in this program so that we have staff here to supervise. This is not designed to be "babysitting" while parents run errands, etc. This is designed to help working parents not have to put

their child on a bus because they need a little extra time to come pick them up.

ALL CHILDREN NEED TO BE PICKED UP BY 4:15 PM. NO EXCEPTIONS AS THERE WILL NOT BE STAFF HERE TO SUPERVISE THEM. PLEASE MAKE SURE TO HONOR THIS TIME COMMITMENT.

MEDICAL INFORMATION

EMERGENCY AUTHORIZATION FORMS

Each student must have on file in the school office of the attending building an emergency authorization form. This form will give the needed contact information if and when an emergency should arise. It also allows or permits a doctor(s) to give medical attention to students when parents cannot be contacted. This form must be signed by the parent or guardian. Parents are asked to notify the school with any medical changes that may occur throughout the school year. These forms should be updated with address and phone number changes as they occur.

MEDICATION POLICY

School personnel are not permitted to dispense medication without the written authority of a doctor. Any parent who has a child who needs to take medication on a temporary or regular basis during the school day, must have this set up with the school nurse prior to beginning the medication. Please contact the school nurse with any medication concerns or questions.

SCHOOL NURSE

The school nurse is responsible for the maintenance of all health records, routing health checks, and hearing and vision screenings. If you have any questions or concerns with your child's health and medical condition, please contact her through calling the school office.

SPECIAL SERVICES

In addition to regular classroom experiences, Van Wert Early Childhood Center students will have the opportunity to some or all of the following:

Art Education	Physical Education	Music
Social Worker Services	Special Education	Title 1
Therapies – Speech and Language, Occupational and/or Physical		

All kindergarten children will receive gym, art, and music. It is important that your child have shoes for the gym with them at school every day. You can choose to have them keep a pair of shoes for gym class in their locker every day so they can change into them.

SAFETY DRILLS

Fire drills, tornado drills, and other safety drills are required to be completed every year in public schools. The Van Wert Early Childhood Center must participate in these drills. Teachers will instruct the children on where to go and what to do during these drills. It is very important that all children follow the directions/instructions carefully and quietly.

BIRTHDAYS

Birthdays are very important to children in kindergarten. We will be celebrating each child's birthday with a song and a birthday treat. You are welcome to send in a simple birthday treat for your child.

FOLDERS

Every child in kindergarten will have a red folder that will come home every afternoon. This is an easy way for us to send home important information and papers for you to see. Please make sure to check your child's red folder every day, remove papers that are to be read and/or checked by you as the parent, as well as, making sure the red folder comes back to school every morning.

SCHOOL DELAYS AND CLOSINGS

Delay days, early closings, and cancellations of school due to weather or other emergency conditions do happen and are communicated to parents/guardians as soon as possible.

The easiest and fastest way to be notified of these delays and closings is to sign up for text messages/emails through the district website. You may do this by visiting the Van Wert District website and signing up. This is located at www.vwcs.net.

BOX TOPS FOR EDUCATION

The Van Wert Early Childhood Center participates in the Box Tops for Education Program. We will be collecting Box Tops throughout the school year. This is an easy way for us to raise funds to use in our building by providing services to the children and teaching staff. We so appreciate your help in this collection endeavor!

PROMOTION, PLACEMENT, and RETENTION

A student will be PROMOTED to the succeeding grade level when he/she has:

- A. Completed the course and state-mandated requirements at the present assigned grade level.**
- B. In the opinion of the professional staff, achieved the instructional objectives set for the present grade level.**
- C. Demonstrated sufficient proficiency to permit a child to move ahead in the educational program of the next grade.**
- D. Demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.**

If the child does not meet the above stated educational objectives, he/she will be RETAINED.

A student will be PLACED at the next grade level when retention would no longer serve the educational good of the student.

Following sound principles of child development, the Board of Education discourages the “skipping” of a grade level.

The superintendent, in connection with the building principal, shall develop administrative guidelines for PROMOTION, PLACEMENT, AND RETENTION of a student which:

- A. Require the recommendation of the relevant staff members for promotion, placement, or retention.**
- B. Require that parents are informed in advance of the possibility of retention of a student at a grade level.**
- C. Assure that efforts will be made to remediate the student’s difficulties before he/she is retained.**
- D. Assign to the principal the final responsibility for determining promotion, placement, or retention of each student.**

CURRICULUM

Handwriting:

We will be learning the modern manuscript style of handwriting. This type of writing does not have the tails at the end of the letters that have been used in the past. We will emphasize top to bottom and left to right strokes with our letters. We will practice writing our names using a capital letter at the beginning and the rest of the letters being lowercase.

Balanced Literacy

We will be using a reading framework called The Literacy Collaborative to teach reading skills. This includes Interactive Read Aloud, Shared Reading, Writing About Reading, Interactive Writing, Shared Writing, Word Study, and Guided Reading.

Writing

We use a formal writing curriculum called Lucy Calkins: Units of Study to teach writing to our kindergarten children. Children will spend the year learning and producing different styles of writing (narrative, informational, and opinion). This will be done in a workshop fashion, much like reading. The children will spend the majority of the workshop time doing actual writing.

Phonics

We will be using the phonics program through the Literacy Collaborative framework called Word Study. We also provide 6 weeks of intensive phonemic awareness training at the beginning of the school year and each classroom teacher is expected to carry out phonemic awareness activities throughout the school year.

Math

The Board of Education adopted curriculum for math is My Math. It is aligned with the Common Core State Standards (CCSS) for kindergarten.

Science and Social Studies

Science units include the study of plants, animals, the earth, weather, matter and motion. Social Studies units include the study of historical people and events, families and communities, community helpers, and holidays and traditions. The units for both of these subjects will be incorporated into all other areas of learning.

BEHAVIOR PLAN

All the kindergarten classrooms use a ‘CLIP – UP/CLIP – DOWN’ behavior chart. Every day, the students will start in the middle of the chart on green, “Ready to Learn”. Their behavior, throughout the day, will determine whether they “clip – up” or “clip – down”. When a child is making appropriate choices, they will be instructed to “clip – up” and will be recognized and praised for making good choices. When a child makes a poor choice, they will be instructed to “clip – down” and they will be given reminders/warnings of their choices and encouraged to make good choices. Once a child “clip – down” and hits orange, “Think About IT”, there will be a consequence given to the child for poor choices that will be determined by the teacher (example: loss of recess minutes, time out, visit to office, etc.). When a child moves to red, “Parent Contact”, there will be a behavior card coming home letting you know your child was on the red and what they did to get there. We give a student every opportunity to work their way back up the chart too. When they get to “Outstanding”, and higher, they can earn a star or gem for their clip. It is our desire that all students have a very successful day at school – both in their academics skills and their behavior skills.

Title 1

Annual Notice To Parents Regarding Teacher Qualifications

Dear Parent or Guardian:

Our school receives federal funds to Title 1 programs that are a part of ESSA legislation. As part of this act, we want to provide you with this annual parent notice.

As a parent of a kindergarten student at the Van Wert Early Childhood Center, you have the right to know the professional qualifications of the classroom teacher(s) who instruct your child. Federal law allows you to ask certain information about your child's classroom teachers, and requires us to give you this information in a timely manner if requested. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- A. Whether the Ohio Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.**
- B. Whether the Ohio Department of Education has decided that said teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.**
- C. The teacher's college major; whether the teacher has an advanced degree and, if so, the subject area(s) of the degree.**
- D. Whether any paraprofessionals provide services to your child, and, if they do, their qualification.**

If you would like to receive any of this information, please contact the superintendent's office.

Thank you for your involvement in your child's education.
